Call of duty apk obb file download

The most awaited update of Call of Duty: Mobile, the Season 11 Anniversary update, has been released globally. The update was kept as a surprise, and unlike other former updates, no test server was released this time. Call of Duty: Mobile Season 11 update has added a new King map, new epic soldier – T.E.D.D., Cranked mode, Halloween theme, and much more. The players can download the update from Google Play Store, but if by any chance you are not able to download the update, then you can do it by using the APK and OBB files. COD: Mobile Season 11 Update Download Link APK File Download LinkOBB File Download Link The Call of Duty: Mobile Season 11 update's APK file size is around 87 MB, and the OBB file weighs approximately 1.89 GB. As such, the update requires about 2.17 GB of free storage on your device. Here is the step-by-step guide on downloading and installing the latest version of COD: Mobile in Android devices.
