## Millionaire player calls wife for phone a friend and another man answers phone

A clip of a recent episode of the British edition of the game WHO WANTS TO BE game in Millionaire? It is widely shared on the internet after a competitor called home and the voice of another man was allegedly heard. JP Hogan was blocked on the question of 16,000 pounds: which of these days is part of the weekend in Germany? Å and decided to use one of him's lifestyle by calling his wife at home. Hogan said her wife had a aunt who had lived in the country for over 50 years and that she was there several times. à € œMy wife, who in different times would probably have been in the public, is at home as one of my phone a friend, à € said. After the show guest Jeremy Clarkson asked the call to be done at Hogan's house, a man's voice came over the line. à € œQuello was another man just responded to the phone, à € Clarkson said. Clarkson is heard: à € œRelax, relaxed, could be completely innocentà € , even as Hogan is seen looking around, upset by the ride what was happening. In the end, when the phone was answered, Clarkson jokingly asked Hogan's wife, à € œIphone confirm that you have someone there with you? À € Hogan's wife, Elizabeth, gave him the correct answer that It was à € œsonnagà € , which is Sunday in German. But even how many social media have wondered of the voice of the man heard initially, it was stressed that the voice can be heard by saying à € œI sorry that there is no serviceà € . Many wondered why show manufacturers have not changed the automated registered answer and let the game host. Those who want to be a millionaire Host Jeremy Clarkson seized the opportunity to mix the dish when a competitor sang his wife for help only for another man 'to apparently respond to the phone. The Star Top Gear was back to the helm as the Success Itv Show has returned for a new series of episodes, shot in July in adherence to social spacer measures, and you sitting in front of hoping JP Hogan on Thursday Evening Installation. After starting well, the science teacher fought with the £ 16,000 question which has a place "which of these days is part of the weekend in Germany?" The options were a. Donstag, b. Mittwoch . Sonntag, or d. Dienstag, but JP didn't have the faith to moisturize for any of the options from his back thus decided to use his phone to the Friend Lifestyle to call his wife Elizabeth. Giving his reasoning for the decision, he explained: "My wife's aunt lived in Germany for over 50 years, my wife was sometimes". As a male voice answered the call, Jeremy exclaimed: "It was another man who just responded to the phone!" before backtracking saying "relaxation, relaxation, it could be completely When Elizabeth replied, Jeremy asked: "Can I confirm that you have someone with you?" Who wants to be a Millionaire Host Jeremy's Probing has unleashed a huge reaction on Twitter, with a spectator who rushes to post: "Break Time Question: who was the man who answered the phone when JP phoned his wife? ? ". Another added: "Well this is a way to expose your wife is a cheater.. ring his phone for a question about who wants to be a millionaire and a guy who answers." However, reality was much less scandalous because, at a more careful examination, one could hear the voice of man saying "I'm sorry, there is no service", as well as an automatic response, rather than "the other man." If you are interested, the correct answer to the question from £16,000 was Sonntag, the German word for «Domenica». And despite Elizabeth saying she was "safe at 80%", this was the answer JP thought about it and did it well from that moment on, she went with a respectable £64,000. The Friday's Who Wants To Be A Millionaire, the show will only crown its sixth overall winner, with the no-name competitor reaching the record-time jackpot. Who wants to be a millionaire The viewers were shocked when a player called his wife as his phone a friendly lifeline and another man answered the phone. The competitor JP Hogan seemed horrified during the last night show when he heard a man's voice on the call while playing for the £16,000 question. Conductor Jeremy Clarkson was amazed by the embarrassing incident in which fans used social media to joke about having "undressed a relationship." During the show, the science teacher was puzzled by a difficult question and decided to use one of his lifelines. The competitor JP Hogan seemed horrified during the last night show when he heard the voice of that man (Photo: ITV) The question was: «What of these days is part of the weekend in Germany?» with options A) Thursday, B) Wednesday, C) Sunday, or D) Tuesday. The Mirror reports. JP said: "My wife's aunt has lived in Germany for more than 50 years, my wife has been there sometimes. "My wife, who at different times would probably have been among the audience, is at home as one of my Phones at Friends." "Let's call Elizabeth?" said Jeremy. The landlord Jeremy Clarkson was surprised by the embarrassing accident (Image: ITV) While a male voice responded to the call, Jeremy stressed: "It was another man who just answered your phone, relaxed, relaxed, could be completely innocent. » When Elizabeth answered, Jeremy asked: "Can I confirm that there is someone with you?" A user tweeted: "Request on the time of pause: who was the man who answered the phone when JP phoned his wife? #WhoWantsToBeammillionary.» Another added: "Well this is a way to expose your wife is a cheater... ring his phone for a question about who wants to be a millionaire and a guy who answers #WhoWantsToBeAMillionaire.» "How embarrassing, calling his wife, a friend and a man who responds,Discovered a relationship? "He wrote a third one. But another viewer pointed out: À «The man who answered was literally an automatic voice that said« I'm sorry, there is no service. "Jeremy was joking about a relationship." To a more exam. Attentive, the man feels saying: À «I am sorry that there is no service." JP eventually took the money and left the show with 64,000 pounds. One who wants to be a Millionaire competitor was Red on his face when he called his wife to a friend's phone and another man answered. Host Jeremy Clarkson was amazed how he joked about the clumsy incident and many viewers also tweeted about it. Player JP Hogan, a science teacher, was baffled by the £16,000 questions, and decided to use one of his lifelines, the Online Mirror Reports. The question was, "Which of these days is a weekend in Germany?" The options were A) Donnerstag, B) Wednesday, C) Sonntag, or D) Tuesday. JP said: "My wife's aunt has lived in Germany for over 50 years, I've been there a few times of my wife." My wife, who at different times would probably have been in the audience, is at home as one of my cell phone a Friends?'We call Elizabeth,' said Jeremy As a male voice answered the call, Jeremy pointed out: "We call Elizabeth." "It was another man just answered the phone, relax, relax, he might be completely innocent." When Elizabeth answered Jeremy asked, "Can I just confirm that you have someone there with you?" One viewer wrote on Twitter: "Pause matter of time: who was the man who answered the phone when JP phoned his wife? "Find out what's going on in your area by entering the zip code below: Another added: 'Well, this is a way to expose a cheater's wife.. ring his phone for a question about who wants to be a millionaire and a guy answering' "How embarrassing, phone the wife for a friend's phone and a man answering, has a report was exposed", wrote a third, but another viewer pointed out: "the man's answering machine was literally an automatic voice saying a sorry there is still no serviceÀ€. Jeremy was joking about a deal" On closer examination, the man can be identified as saying: 'I'm sorry there is no service.' JP eventually took the money and left the show with a À£64,000 \* Who wants to be. millionaire airs this week on ITV at 9 pm Who wants to be a million Player JP Hogan seemed shocked when he called his wife as his phone friend a lifeline and another man answered the phone. Host Jeremy Clarkson was amazed at how he joked about the embarrassing incident, and many viewers also tweeted about it JP, a science teacher, was baffled by the £16,000 questions, and decided to use one of his lifelines the question was:.. "Which of these days is part of the weekend in Germany? "The spectators were convinced his wife had been caught out - but it was an automatic message The options were a) Thursday, B) Wednesday, C) Sonntag, or D) Tuesday JP said: "My wife's aunt lived in Germany for over 50 years, my wife was there a couple of times. "My wife, who at different times probably been among the audience, is at home as one of my phone a Friends." Jeremy said JP another man had answered his wife's phone (ITV) "Call shall we call Elizabeth?" said Jeremy. As a male voice answered the call, Jeremy pointed out, "It was another man just answered the phone, relax, relax, he could be completely innocent." When Elizabeth answered, Jeremy asked, "Can I just confirm that you have someone there with you?" you?" Viewer tweeted: "Pause question: Who was the man who answered the phone when JP phoned his wife? #WhoWantsToBeAMillionaire". Another added: "Well this is a way to expose your wife is a cheater.. ringing her phone for a question about who wants to be a millionaire and a guy answers #WhoWantsToBeAMillionaire". "How awkward, calling to the wife on the phone a friend and a man who answer , revealed a relationship", wrote a third party. But another viewer pointed out, "The man who was answering was literally an automatic voice saying, "I'm sorry, it's not service". Jeremy was joking about a relationship".On closer examination, the man can be identified as saying, "I'm sorry you don't have a relationship." JP eventually took the money and left the show with 64,000 pounds. \* Who wants to be a Millionaire broadcasts this week on ITV at 21:00 21:00
