in: Players, Hackers, Creators, BCD Members View source kklkjj is a Bonk.io player. He started playing Bonk.io in October 2016. He is known for a being hacker on Bonk.io and the original, Flash version of Bonk.io, and making maps, most notably Parkour Floors and Parkour Floors 2. He is also a long-time member of the BCD server. His hacks have ranged from cloning players, changing map and game variables, and defying physics of gameplay. He along with several other hackers has made Bonk.io chat bots. Another interesting thing about kklkjj is his alts. One of his alts, kkl2, was level 426 before the April 29th levels reset. There were several other scripting accounts created by kklkjj, all of which have had their XP reset to zero. He is known for making maps. His most upvoted maps on Bonk.io are Parkour Floors 2, Parkour Spiral and Doors. Many of his maps featured on the Fresh List before it was removed, and some are currently featured on the Picks List. Most of his maps generally follow a palette of different variations of cyan and orange. His most upvoted map on the Flash version of Bonk.io is Parkour Floors, which at one point during HTML5 Bonk.io's development, Bonk 2 Beta was a map-copying trend. He created kklee, an extension for Bonk.io that adds various features to the map editor to make the creation of maps easier and more efficient. Trivia kklkjj is a friend of Filip.
