Nations

- **Nation** – a culturally defined group of people with a shared past and a common future who relate to a territory and have political goals.
- People construct nations to make sense of themselves.
- Nations are “imagined communities”

Friction of Distance

- The “Cause”
 - Impact of distance on interactions
 - Distance creates a barrier to interaction
 - The greater the distance, the greater the barrier
 - Makes perceived distance greater
 - Varies from place to place and from time to time
 - Greater connection (communication or transportation) lessens impact of distance
 - Less connection (communication or transportation) heightens impact of distance
