Jio Phone 2 supports video calling Jio Phone 2, the feature phone with a price in India of Rs. 2,999, has video calling support. This means that Jio Phone 2 users can make video calls to their friends and family using the new feature phone when WhatsApp support comes to the device. Jio Phone 2 feature phone will go on flash sale at 12 noon on Thursday. The 4G feature phone will be available for purchase on Jio.com and MyJio app. The Jio Phone 2 features a QWERTY physical keyboard, 2.4-inch QWERTY display and dual SIM support. Jio Phone 2 features a front-facing camera and supports video-calling functionality. The front camera is a 0.3-megapixel shooter whereas the primary camera on the back has a 2.0-megapixel lens. While this may not sound impressive specification-wise, it is possibly the cheapest feature phone to offer video calling functionality thanks to the 4G connectivity. The feature phone is priced at Rs. 2,999 as an introductory offer and acts as an upgrade over the original Jio Phone. How to make video calls on Jio Phone 2 Jio Phone 2 users can make video calls using the JioVideoCall app which comes pre-installed on the feature phone. Here are the detailed steps to make video calls from Jio Phone to other Jio Phone or any other Android and iOS device. Step 1. Jio Phone users can make video calls to other Jio Phone users using the JioVideoCall app Step 2. To ensure video calls go through, Jio Phone users need to have that person's contact details saved in the JioPhone Phonebook Step 3. To make a video call, Jio Phone users need to locate the JioVideoCall app on their phone Step 4. Customers will then see two tabs- 'Recent' and 'Contacts' Step 5: Using navigation keys, customers can choose the contact and start the video call using the centre button Step 6: Jio Phone users can make video calls to other smartphones using the JioChat app Step 7: Jio Phone to Jio Chat video call is supported by Android and iOS operating systems Jio Phone 2 specifications Jio Phone 2 sports a 2.4-inch QVGA display with a resolution of 320x240 pixels. The 4G feature phone is powered by 1Ghz dual core processor and includes 512MB RAM and 4GB internal storage (supports expandable storage up to 128GB via microSD card). On the camera front, there is a 2-megapixel primary camera and 0.3-megapixel front camera with support for video recording. The 4G feature phone supports VoLTE and comes with video call support. The phone is backed by a 2000mAh and reportedly offers a talk time of 6 hours. Jio Phone 2 is a dual SIM phone and the second SIM slot can be used for a SIM from any other operator.
