Aerial Lift Safety Training

Aerial Lift Safety

29 CFR 1926 453 Aerial Lifts
ANSI A92.2 – 2001 American National Standard Vehicle-Mounted Elevating and Rotating Aerial Devices.

Objectives

- Understand the training requirements for operating an aerial lift.
- Understand aerial lift inspection requirements.
- Understand safe work practices for operating and performing work on aerial lifts.
- Demonstrate the ability to safely operate an aerial

A photograph showing a blue aerial lift extended upwards. A person is visible in the basket of the lift. The lift is positioned next to a white pickup truck parked on a grassy field. The background shows a clear blue sky and some distant trees.
