At this time, we are not scheduling public events or meet-and-greets in public. We will move straight to the home visit portion of the process, and we are happy to spend ample time with you there as you get to know the dog you are interested in. We ask that an application is filled out in advance of us setting up a home visit. If you see a dog on our page who could be a good match for you, send us an email to submit an application and get the ball rolling on a home visit! Please note that at this time, we are only accepting applicants within approximately 45 miles of Winston-Salem. Be sure to share with all of your friends and social followers. Your videos are listed there, and will appear in a random order each time someone goes to vote. People can vote once a day for their favorite shelter. The shelter with the most votes will get an \$500 gift card from Concord Pet Foods and Supplies. Either way, all shelters/rescue groups participating will get an equal share of the total raised money via the go fund me, which can be found everywhere on that page, and in between each rescue group. Support Home at Last Dog Rescue by purchasing your 2021 calendar! Check out the top winners from our Calendar Photo Contest as well as some of our meet and greet events. When you book a pet-friendly hotel reservation on BringFido.com's website and complete your stay, Home at Last will receive a \$10 donation when you use our unique referral code in the gift code box at checkout: HOMEATLAST2019 - Purchase unique toys and more for your pets and Home At Last Dog Rescue will receive 20% of your total purchase! Click here for more details We regularly hold Meet & Greet events throughout each month. This is a chance for you to come out and meet our adoptable dogs and fill out an application to adopt or foster. The times and locations are always available on the left side at the top of this page, so be sure to check there frequently to see where we'll be! Please note that not all of our dogs attend each Meet & Greet. If you are planning on coming out to see a particular dog, it is best to check our Facebook page the morning of the event to view the list of dogs scheduled to be attending. As a growing rescue group, we are in constant need of volunteers who can assist us in saving dogs. If you are able to provide a foster home for dogs until they are adopted, please e-mail us for more information. Fostering is such a rewarding experience and is vital to our goal of placing rescued dogs into new permanent homes. Think that buying a puppy mill and yes, pet stores WILL and DO lie to you and will tell you whatever you want to hear to make the sale. It happens ALL of the time! In buying a puppy, you're helping to keep puppy mills in business. Don't believe me? Educate yourself. Read more to learn about where pet store puppies come from. We are a group of volunteers whose goal is to save the lives of homeless dogs suffering in high-kill shelters, as well as owner-surrender dogs who need to be re-homed due to unfortunate circumstances. We are not a shelter, and we have no central location for the dogs we rescue. We pull dogs from various shelters and provide foster homes until they are adopted. In doing so, we hope to provide an alternative to the purchase of puppy mill and pet store dogs, thereby reducing the demand for, and ultimately, the supply of, such dogs. We strive to match each dog with the right family after the dog has been observed in a foster home. A home visit and reference/vet check will be done to determine if the dog you are interested in is a good match for you. Home At Last reserves the right to reject any application and reserves the sole right in determining the best placement for our dogs. The application with the name of the dog you are applying for. An adoption fee is necessary to cover the cost of spaying/neutering, medicating, and caring for dogs that often come from situations of neglect and sickness. We also pay the shelters to our foster homes in PA and out of harm's way. Without charging our own fee, we could not afford to do our work. Most PA county shelters get tax-payer funding and large corporate donations to support them so they can afford to let their animals go for a lower fee than we can. We thank you for your understanding. Effective 3/1/2021, the adoption fee for puppies between 8 weeks to 6 months is \$425 and for any dog more than 6 months old is \$375. Some of our dogs are designated as benefactor dogs. These dogs have a higher adoption fee of \$650 and the additional fee collected helps fund expensive surgeries for medical dogs that we have. This is notated in the bio of the dog. We only adopt out dogs that we have. This is notated in the bio of the dog. We only adopt out dogs that we have. for a future adoption date. Holding an animal in a foster home would mean we'd have less space available for animals that is ready for adoption, you must be prepared to adopt right away.
