These devices are things that fit into electrical outlets and require special disposal methods to make sure they don't sit in landfills. Some manufacturers and retailers offer services to accept or pick up electronics, and this service may be free of charge or may incur a commission. When you upgrade your TV, chances are that you are the proud owner of more TVs than you want or need these days. Or, you could donate it to a reuse organization that will turn it over and give it away to an organization or individual who will use it. More from DomanySwered.net Questionswered.net
