May 2020 Very friendly when you walk inDecent size store with various wig selectionsReasonably priced Always stocked upHave a dollar on had to buy wig cap before trying on a wig April 2020 I always shop at the store spending at least \$50 and up every visit. Don't be following me around like I steal cause I don't I hate that will not be shopping there anymore November 2019 Their prices are great. Most of the staff make you feel really welcome. The older lady that works with the wigs is such a kind, sweet, and thoughtful considerate soul. Not a fan of the hi-low steps in the store lol tripping hazard. Prices are fair and can be compared / competitive with other stores. More Comments(32) You May Also Like Free shipping with no order minimum required. Restrictions apply. Both promised to be vibrant bold colors. Beauty store dye was expensive and it left my hair patchy, dull color. So I decided to give Splat a go. To my surprise the consistency was not watery, it was easy to squeeze out of the bottle and didnt run everywhere. I did exactly as the box instructed. Saturated my hair and waited an hour to rinse. Barely any color came off my hair during the rinsing and double shampoo that I did to prevent bleedng. My hair is not bleached. I had been lighting my hair in the sun and using light golden blonde in my hair for years but it was no where near platinum blonde that I would need to get neon vibrant pink. After my hair was done drying I was so surprised with the outcome! Perfectly bright pink hair with no damage from bleach! I would recommend this product to anyone looking for great color. I use the Midnight Magenta and its a wonderful shade of vivid bright pink.Helpful? Thank you for the great feedback. The dye come off in the pool when you swim from the chlorine? by MichelleApril 16, 20201 Answer1. Here are some solutions to remove color from the tub. STAINS: Stains on the bathtub: - Spray Scrubbing Bubbles, or Lysol disinfecting spray that contains hydrogen peroxide. Let the spray sit on the stains for 10 minutes, scrub for 2 minutes, rinse, and repeat the process as needed. - You can also scrub the stains with a Mr. Clean Magic Eraser and it will help lift the stains. - Dampen the surface and sprinkle Ajax or Comet cleaner. Lightly scrub with a moist sponge to make a paste and scrub till the stains start to lift. Rinse and repeat as needed. The color will bleed when going into a pool.Helpful?1 AnswerHow do I get the midnight amethyst out of my hair in the shower without turning purple by WiccanNovember 9, 20171 Answer1. Unfortunately, that is tough to do. Splat is a direct dye with a heavy load of pigmentation so it can color brunettes. I suggest scrubbing yourself with soap as the color is dripping.Helpful?1 AnswerMy hair is naturally dark brown, almost 2 months ago I dyed it deep intense violet which basically turned it to a deep dark red.
