Bare galvalume sheet weight

R Panel/PBR Panel This is the nicest panel for the least amount of money. Perfect for a fence, wall, or roof. The fasteners are concealed for both weather tightness and stream lined appearance. A606-4 coil can be split to any weight and slit to any size. If you want Cor-Ten steel this will be the best available option. Accessories Find roofing underlayment, screws, rivets, clips, foam closures, sealing tape, pipe flashings, trim, flashing, galvanized square tube and more. Available in 20 and 22 gauge. Weathering steels, such as ASTM A588, A242, A606 and Corten exhibit superior corrosion resistance over regular carbon steel as a result of the development of a protective oxide film on the metals surface which slows down further corrosion. 1" Deep panel. Corten Coil Corten steel coils are in stock in a variety of gauges and widths. Corten® (A606-4) Browse metal roofing panels in an A606-4 finish. Available In Metal Roofing, Flats, and Coil. Metal That Looks Like Wood Save up to 75 % in material cost when compared to real reclaimed lumber. Available in A606-4 (Aka Corten). Our two newest colors Black Ore Matte and Matte Midnight Black will give your house a beautiful and unique look. Horizontal or Vertical Installation. Concealed Fasteners Horizontal or vertical installation. Pre-Painted Metal That Looks Like Patina'd Copper Why pay for an expensive copper roof ? Significant cost savings when compared to real zinc. This is not available. Bare Cold Rolled Cost savings of approximately 25 % when compared to Corten. Metal roofing and siding that has been pre-painted to look like patina'd copper is a growing favorite among architects and builders. Excellent Pricing and Quick Lead Times. We also sell bare cold rolled metal roofing. Ideal for mansards, equipment screens and walls. Bonderized® Unrusted Alternative For An Aged Looking Roof. It is the ultimate no care product because no one ever has to paint or scrape rust. This pre-painted metal looks like an aged zinc or a dull gray galvanized finish. Their polychromatic coatings integrate PPG's energy-saving ULTRA-Cool technology. The exotic appearance of VARI-Cool provides an excellent choice for architectural and commercial applications, monumental and landmark buildings, Lesser lifespan. Corten Flat Sheets Corten flat sheets arrive unrusted and will develop a gorgeous patina after exposure to the weather. 9 standard colors available in six color families. Available in Metal Roofing, Flats, and Coil. Modern design with 1", 2" or 3" reveals. Structurally strong, incredibly impact resistant. Available In Metal Roofing/Wall Panels, Flats and Coil. There is no loss for the panel side lap. No maintenance and limited 40 year paint warranty. What is available is steel in an A606-4 finish. Looks similar to Corten after it weathers. When someone needs Corten on the West Coast they are normally referring to A606. Rustwall® Rustwall® flush wall & soffit panel. Small Or Large Orders. Its unique look and naturally oxidizing finish provides a beautiful color and texture. 24 Gauge/PVDF Matte Finishes, Blacks, Bronzes, and Grays The latest trend in architecture is the use of matte finishes and dark colors for metal roofing/siding. Painted Rusted Roofing We are the leading provider of painted metal roofing panels designed to look like real rusted roofing without the rust stains. This is NOT a Paint Finish. For more detailed information, please click on a Corten® (a606-4) panel below. Cor-ten is a trademarked name owned by U.S. Steel. A606-4 and A588 flats are in stock at 48" or 60" widths. ReziBond® ReziBond® Coating Looks Like Gray Gun Metal. All items in stock and available for immediate delivery. Great Paint Warranty. Western Rib® (7.2 Panel) The trapezoidal design makes this our strongest panel. Standing Seam Standing seam is available with or without battens. Our most popular panel. Custom fabrication is available. 7.2" Pitch and 1.5" Deep Western Wave® This rigid wall panel with concealed fasteners offers a distinctive look with bold shadow effects that emphasize the panels unique rib profile. Western Reveal® Mix and match different reveals, face sizes, and widths. Pre-Painted Metal that Looks Weathered Gray Metal roofing that looks weathered and gray. Vari-Cool® Duranar VARI-Cool panels are treated with a multi-coat system that offer brilliant color shifts and unique looks. Ideal for fences and metal siding. Bare cold rolled steel will give you a very similar look at a lower price, but will have a lesser lifespan. We offer exposed fastener and concealed fastener panels. Browse metal roofing panels in a bare cold rolled finish. Immediate delivery in most instances. Standard Painted & Galvalume® Large Color Selection. Horizontal or vertical installation. Huge cost savings when compared to real copper. Perfect for roofing or wall panels. .127 Round & 7/32" Stagger, 30.58 % Open Area, 22 Gauge. Available in Corten A606-4 steel. Corten roofing has a unique look and naturally oxidizing finish that make it especially desirable for many architectural projects. Corten Landscape Edging Improve the look of your lawn or garden by adding Corten landscape edging and stakes. Corten Roofing is the latest trend in roofing products and architecture. Generally more of an orange patina vs more of a brown patina for Corten. Products 7/8" Corrugated 7/8" corrugated metal roofing has deep wavy corrugations that look stunning on your metal roof. Perforated Corten Perforated Corten Corrugated, Flats, and Coils. Blackened Steel Series® Painted panels that look like blackened steel and other dark aged metals.
