Francis I would like to share with you some thoughts of the Book of Haggai, a minor prophet with an important message that, if we take care and allow Holy God of the Holy Spirit to move in our hearts, it really will do things for us. Because this message grabs your heart, you will be inspired to pose waiting on what God wants you to do ~ and then to put it. There are only two short chapters in the Book of Haggai, but from beginning to end it is full of impact and challenge. 20 times in these two chapters there is word mention, Ã ¢ â,¬ Å "Says the Lord. "Of these 20 times there was said 14 times:", says the guest Lord "Å ¢ â,¬ Å" Hostsà ¢ â,¬ means à ¢ â,¬ h" Hostsà ¢ â,¬ h" Host of God today. Whether we like to recognize it or not, we are in a spiritual battle ~ a war ~ and we need to fight "the good struggle of faith and laying on eternal life - 1 Timothy 6:12). Consider, understanding, which depends on the power of discernment; take into consideration diligently ... Words of Wilson's ancient testament). God is experiencing people to consider their ways ~ le same people who have been recognized by other nations like the children of God. God came to this people at a time when, due to opposition and persecution, they had stopped building the House of God. Their Focus had become more on their own homes and pleasures with respect to the work of God. God was not happy with this and grew a man with the name of Haggai (name means à ¢ â,¬ Å " Holiday "). The Bible calls him a prophet and he came with the word of the Lord. It is people like haggiai that God is looking for today ~ people who have the word of the Lord! They do not go on sermonization ~ instead bring a message from the sky (Heart of God) to share with the people of God. God spoke (through his servant Haggai) with a simple and profound but deep message: Ã ¢ â,¬ "Support I Your ways! Ã, â,¬ (Haggai 1: 5, 7). Why did you have to consider their ways? First, because they had allowed the work of to refuse, and their case. They were channeling all their time and efforts in their residential posts. They were putting their occupations, them and their personal pleasures before the Lord's service. They said, "The time is not come, the time that the house of the Lord should be built". (Haggai 1:2.) A day of reflection was brought upon the children of Israel. They had to consider the way they lived. What were their priorities? Was it the work of God's house Or, was it rather their pleasures, their pleasures, their purposes and desires? This is something we can do today to confuse. Who and what comes first in our lives? We live in an age where material gain has become a top priority. We are not so much hindered by opposition and persecution as the saints are by simply "pushing sleep" and forgetting what God wants us to do. We live in a country of ease, and a Sickness is the sickness of the Church! a You will be lovable when you can make your time and your life for God when you are able to redesign it and start to be bumped into the Lord and His forces for your life! The word of God wants to do today. Jesus Himself emphasized this point. He exhorted His disciples, "Don't you say, 'There are still four months, and then comes the harvest.'" Behold, I say unto you, lift up your eyes, and reaps fruit to eternal life, so that both he who sows and he who reaps may rejoice together. For in this the saying is true: "One sower and another reaper" (John 4:35-37).Let us lift up our eyes and see what God wants of us NOW, and let us begin to reap a harvest of souls for the Lord Jesus Christ. Those people of Haggai's day had forgotten God's priorities somewhere along the way. They were going through their religious forms and ceremonies (and all the things they thought were pleasing to God, but they were not), when all the time their personal desires had been sought before the ways and will of God. As a result of their wrong priorities, God could not allow them to be blessed in the fruit of their labors. Whenever they tried to do things in their own strength, God would blow on us. He would cause their efforts to come to nothing - cause them to be a frustrating experience. And he gave him the reason why: they never put the first things first! âBut SEE first the Kingdom of God and His righteousness, and all these things shall be added to itâ (Matthew 6:33, emphasize mine.) This requires effort today. We must first give ourselves to seek the Kingdom of God, because there are so many things in life that try to take our attention from what we have to do. "Be very careful, then, how you live ~ don't Wise as wise, making the most of every occasion, because the days are bad. Bad. Don't be foolish, but understand what the Lord's will will be (Ephesians 5:15-17, NIV). So God came with the message, it's a ¬ "Support your ways! He gave them a command to go up the mountain, fell the trees, cut down the wood and build his house. All these things were handmade. It took time, heavy effort, a lot of effort. But God told them to. Also, the Lord said, "I will delight in it, and I will be glorified ... (Haggai 1: 8). When God's people begin to accomplish the things God wants them to do, He amuses them. God has fun in His people when they fulfill His word. God wants us to do this today ~ to be involved in extending His kingdom. Each of us has a God-given duty to perform in building up the kingdom of God through the empowerment of the Holy Spirit, the living Word, and His presence with us. They've been careful! People heeded the message Haggai brought them the word of God. They began again to build the house of the Lord which had been abandoned for so long. Hagggai was "the message of the Lord in the message of the Lord with the message of the Lord, having the right words to speak with the right person, in the right place, and at the right time. God's message from heaven that burns in their hearts ~ â a message from heaven that burns in their hearts ~ a message from heaven that burns in the heaven that bu be truly dead to sin, but alive to God in Christ Jesus our Lord - (Romans 6:11. NKJV). A© God raised up the spirit of the governor, Zerubbabel, a man of high standing in the land of Judah. God dealt with men who were in authority. He transferred to men who held power among people. God has stirred their hearts! God touched them and they were able to lead people in the right way ~ God is the way. The Bible tells us that God also stirred up the Spirit of the remnant of the people has been agitated. They have been awakened to God and His plans and purposes! The Holy Spirit of God has led them to come together! And they began to build the house of the LORD their God. They began to do the works of God? "I am with you, it is", declares the Lord! God has encouraged His people: â" ¬ "I am with thee, saith the Lord" HAGGAI 1:13). This is a who needs to sink deep into our hearts today ~ Know what God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you KNOW that God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you KNOW that God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you KNOW that God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you KNOW that God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you KNOW that God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you know that God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you know that God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you know that God is with us! It gives us boldness and trust to do the work of the Lord. There is no doubt and fears when you know that God is with us! It gives us boldness and trust to do the work of the Lord. John 4:4 we are further encouraged that "He who is in you is greater than the one who is in the world". We are indeed "more than winners by the one who loved us" (Romans 8:37). We are winners, triumphs in Jesus Christ! "The Lord is with me; I will not fear. What can man do to me?" (Psalm 118:6) In Aggeo 2:4-5, God stressed this fact when he said: "Be strong, all ye peoples of the earth," says the LORD, "and work, for I am with you," says the LORD of hosts. According to the word that I did with you when you came out of Egypt, so my Spirit remains with you; do not fear! There are moments in which we live experiences and battles that make us think: "Well, God has forsaken me; God has left me." The Bible doesn't tell us. Those people at the time of Aggeus, even though they were not doing the work of God as they should, God still said: "I am with you... My Spirit remains among you. "They were not alive according to the mind and plans of the Holy Spirit and, consequently, they were unable to do the things God wanted them to do. God made a promise to His people, that if they had begun to work and build His house, He would be pleased and would have been glorified. God promised them that "the glory of this last temple will be greater than the first", says the Lord of hosts. "And here I will make peace," says the Lord of hosts. "The Oracle of the Lord of hosts." (Agage 2:9). God promised them many things if they obeyed the word of the Lord of hosts. "The Oracle of the Lord of hosts." (Agage 2:9). God promised them many things if they obeyed the word of the Lord of hosts." while working (Ezra 6:14). The word "prosperous" means "to achieve the goal" (Wilson). Aggeus brought them to build and were victorious on all their enemies. God was pleased with them and moved among His people in such a way that they were blessed and inspired. He said to them, "From now on I will bless you" (Agage 2:9, NIV). Put DIO PRIMO! How wonderful it is to be blessed by God and to know that His blessings dwell in your life. God wants us to be "filled with all the blessings of the Gospel of Christ" (Romans 15:29). He wants us to know that things that have been given to us for free in Jesus Christ (Romans 8:32). He wants me towe involve in what isHis heart. At this time God saved us and called us with a holy call, which we should live clean lives in his eyes. We should look for the kingdom of God and justice of him! How much are we involved in the work of the Lord? Do we put our homes, our occupations, our pleasures, it's not the time of God for me, or â € œIso too oldâ €, or â € œIso too youngâ €. God entered your life and has a reason and a purpose for it defined! If we follow the commands of him and we will get more effective and fruitful than ever! He will make us powerful witnesses to the Lord Jesus Christ for our way of speaking and for the way we live ~ through the power of the holy spirit of him! Let's go with God extended to our life like never before! We put God first. Use us, even as he used the old Haggai: â € ceThe Messenger of the Lord in the Message of the Lord. Å € God will do great things when we begin to be that person. That we, with his holy spirit, Siam inspired to hold those things that God has for us: â € ceEye has not seen, nor hearing the ear, né entered the heart of the man The things that God has prepared for those who love him. But God revealed them by the spirit of food. Now we have received, not the spirit of man who is in him? So nobody knows the things of God. Now we have received, not the spirit of man who is in him? So nobody knows the things of God. Now we have received, not the spirit of man who is in him? of the world, but the spirit that is from God, to learn about the things that have been freely given by God "(1 Corinthians 2: 9-12, NKJV). â € œTo this I kneel to the father of our Lord Jesus Christ, from which the whole family of heaven and earth is called, so that he gives you, according to the riches of his glory, to be strengthened by force (â € œdunamiâ €) through its spirit in the inner man, for Christ to dwell in your hearts by means of faith; That you, being rooted and rooted in love, you can understand full knowledge length with all saints. Now to the one who is able to do much abundantly above all that we ask or think, according to power (â € œdunamiâ €) that works in usâ € (Ephesians 3: 19-20, NKIV). ât œMightât e ât œPowerât (YoungTM TM s); ât "mobile power, skill ... (strong); ât "Safety capacity, intrinsic power; Ability of anything, ability to perform anything; So, absolutely, not only power able to action, but, power in action ... (Bullingerâ \in). â \in "It is used 121 times in the New Testament and translated into the following English words: Skill (1), Abundance (1), \hat{A} wiolence (1), \hat{A} winderful workers (1), \hat{A} miracle worker (1) and powerful (4). Let that power work for God! Let me motivate our lives! Then we will be full of all the fullness of God! (Can we understand this?) Then we'll go in his name! Then we will exploit for his kingdom! Wherever you are, you can be a blessing for people, for: †"I am with you, declares the Lord of the guests! Â € In conclusion I repeat the prayer of the Apostle Paul: â fo Please outside Of his glorious riches, he can strengthen you with power through faith. And I pray that you have rooted and founded in love, can have power, along with all the saints, to grasp how wide and long and deep is the love of Christ, and to know this love that surpasses knowledge ~ that you can be filled to the measure of all the fullness of God. Now for him who is able to do incommensorably more than anything we ask or imagine, according to his power that is at work within us, to be glory in the Church and in Christ Jesus in all generations, forever! Amen Amen (Ephesians 3: 16-21, NIV). God bless you! Â "The Ministry of the Gospel Faith Messenger". "PO Box 57, Paraparaumu 5254, New Zealand.
