AMOEBA SISTERS VIDEO RECAP

ENZYMES

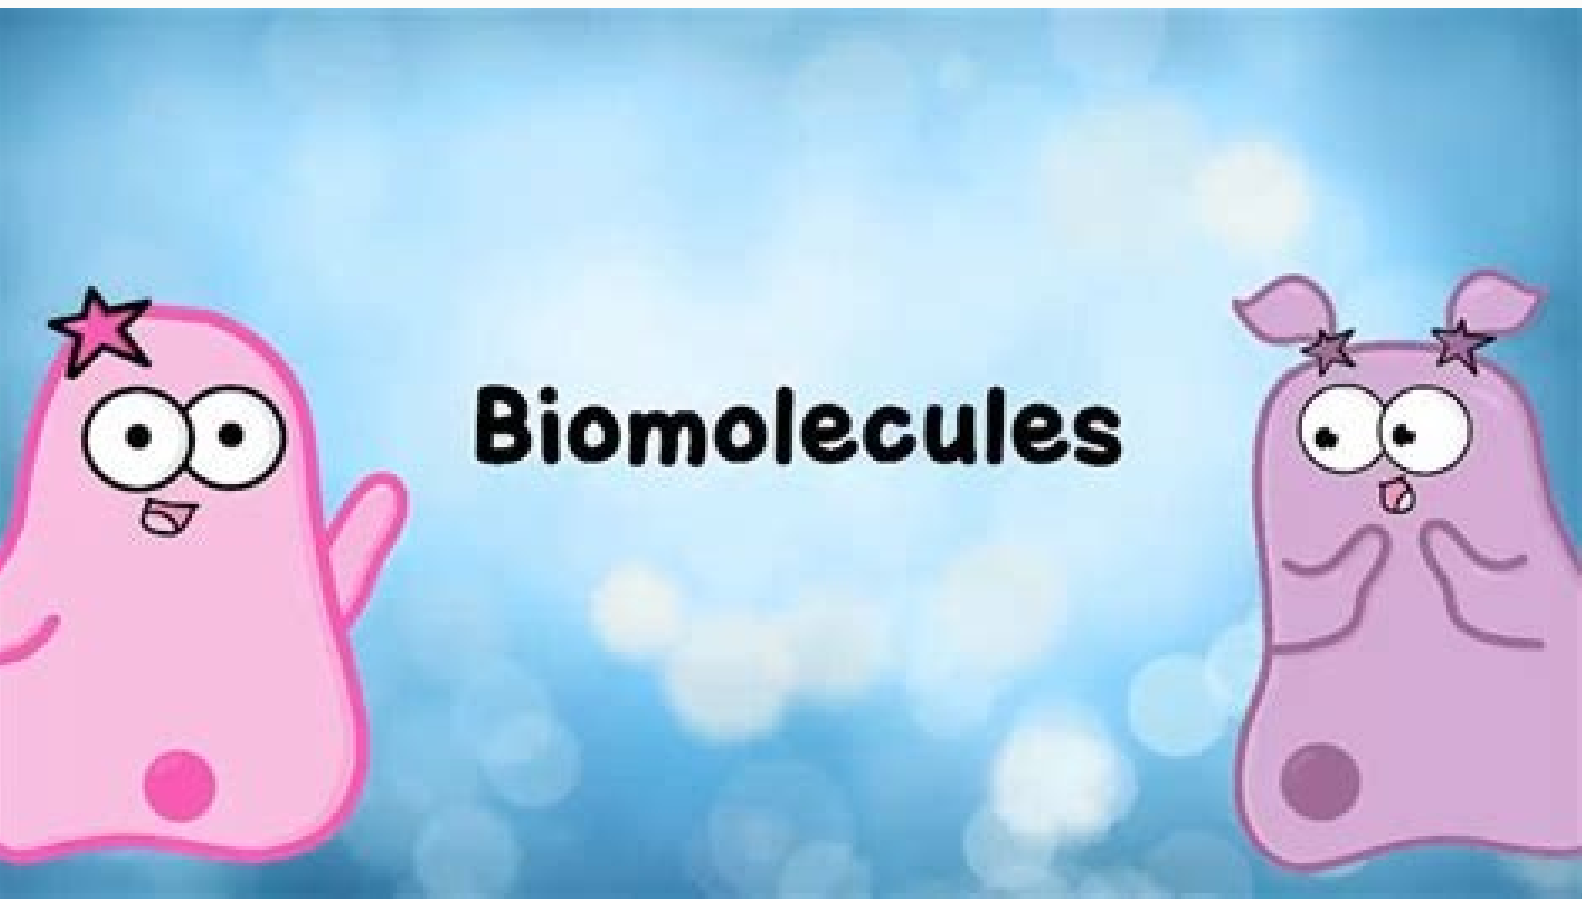

Real Life Enzyme Scenarios

Please fill in the chart for every real life scenario listed below. Some boxes have been filled in for you!

Scenario	 Identify Enzyme:	 Identify Substrate:	Illustrate the Scenario (label enzyme and substrate in illustration):	Describe the relationship between the substrate and enzyme in the scenario.
Lactase is an enzyme that breaks down a sugar found in dairy products known as lactose. Some people are lactose intolerant, and this can be due to not having enough lactase production. People who are lactose intolerant may not feel well after eating foods containing lactose.	6. lactase	lactose	7. 	8. Lactase breaks down lactose
An enzyme called glucocerebrosidase breaks down a glycolipid in the body known as glucocerebroside. However, in a genetic disease known as Gaucher's disease, the body does not produce enough glucocerebrosidase. Therefore glucocerebroside can build up in the body and this can cause serious side effects such as anemia and swelling of the liver and spleen.	9. glucocerebrosidase	10. glycolipid	11. 	12. GCSase breaks down GCS
Pancreatitis is an inflammation of the pancreas which can damage pancreatic tissue. The pancreas produces digestive enzymes such as amylase and lipase. These enzymes assist in breaking down certain food biomolecules. In this disorder, enzyme production from pancreatic tissue may be stopped.	13. Amylase	14. Starch, lipids	15. same as above	Since the pancreatic tissue can be damaged in this disorder, the production of the enzymes in this tissue (amylase and lipase) may be disrupted as well. This would affect the ability to break down certain types of food biomolecules (substrate).

The Amoeba Sisters Recap Answer Key

MONOHYBRID CROSSES

A key made BY the Amoeba Sisters for our free handouts!

H	h
H	HH
h	Hh
h	hh

9/8	9A(R): SWBAT compare the structure and functions of different types of biomolecules including carbohydrates, lipids, proteins, and nucleic acids.	Opening: Biomolecule Warm-up (How are monomers and polymers formed?) Guided Practice: Students will transfer their notes into Tree Maps(Biomolecule Thinking Map) Guided Practice/Homework: Structure and function of Biomolecules-Cut and paste structures/find functions of each biomolecule	Due: Study for Quiz on Biomolecule Notes
9/9	9A(R): SWBAT compare the structure and functions of different types of biomolecules including carbohydrates, lipids, proteins, and nucleic acids.	Opening: Quiz on Biomolecules Guided Practice: Foldable Notes- students may need another graphic organizer that will consolidate the notes. New Material: Dehydration Synthesis and Hydrolysis Assessment and Closing: Review of Biomolecules/Dehydration/Hydrolysis Practice examples	Due: Structure and Function of Biomolecules Handout
9/10-9/11	9A(R): SWBAT compare the structure and functions of different types of biomolecules including carbohydrates, lipids, proteins, and nucleic acids.	Opening: Biomolecule Warm-Up (Is water formed or used during hydrolysis? Is water formed or used dehydration synthesis?) Guided Practice: Building Biomolecules (structure activity) – marshmallows and toothpicks Assessment and Closing: Structure, Function, Examples of Biomolecules Review Quiz Review	Due: Biomolecules Test Monday, September 15 th
9/12	9A(R): SWBAT compare the structure and functions of different types of biomolecules including carbohydrates, lipids, proteins, and nucleic acids. 4B(R): SWBAT Investigate and explain cellular processes including homeostasis, energy conversions, transport of molecules, and synthesis of new molecules.	Opening: Biomolecule Warm-Up (What are enzymes? How do they aid in digestion?) Assessment and Closing: Jeopardy Review New Material: Students set up Egg Lab Day 1, Answers Pre-Lab questions	Due: Biomolecules Test Monday, September 15 th

- Plans are subject to change to support the needs of the classroom.

Monomers of Biomolecules

Nucleic Acid	Carbohydrate	Lipid	Protein

Table amoeba sisters video recap biomolecules. Amoeba sisters recap biomolecules. Amoeba sisters video recap biomolecules table answer key. Amoeba sisters video recap biomolecules quizlet. Amoeba sisters video recap biomolecules chart answer key. Amoeba sisters video recap biomolecules youtube. Amoeba sisters video list. Amoeba sisters video recap biomolecules pdf.

The modification of this document is prohibited. Thanks for purchasing our response key! For less than the price of a typical coffee drink specialized, you are helping to finance our passion in creating scientific videos, gifs, comics, handouts and more! We thank you for your support and for seeing our videos! We do our best for screening for all beating errors, but we are Amoeb (uh, human). Sisters Amoeba: Video Summary Amoeba Sisters Video Summars: Biomolecule Directions: For each affirmation, write a "C", if you best apply to carbohydrates ", if you best apply to lipids", "P. á, ~ if it applies best to proteins á ě á ě "or" n "if it is better applied to nucleic acids. ____ I have an involvement in the immune system for the accumulation of long-term energy. You are reading a free preview page 2 is not Is shown in this preview. The response keys cannot be distributed, reproduced or sold by any individual or external entities. The public availability of the Amoeba Sisters Reply Keys is a violation of copyright, and it is also a disservice for other educators that They want to use our activities. The mutation in the DNA initially elements C, H E O E they would have contained for a long time, these are the countries currently available for verification, with others to come! United States Canada Mexico Samoa American Samoa North islands Mariana Moldova Guernsey South Africa China Israel Japan of South Korea Taiwan Australia New Zealand Argentina Brazil Chile Venezuela useful for a rapid source of energy. No form of this Copyright Text key response can be made publicly online or publicly distributed in printing. Á ě á, ~ á "loaded with pasta", consume many cell membranes. Important for isolation. If you have ever found a clapping error or a problem with ours let us know! We want to solve it and then give you a new replacement copy. Terms and conditions of use for the tastes of the Amoeba Chiavi sisters: this response key is destined for the use of the educator. 2. Great role in the muscles that can accelerate reactions, belong to the category category genetic material. Material.

Biomolecules V.2 Recap - Amoeba Sisters PDF: File Size: 561 kb: File Type: pdf: Download File. Also, check out our biomolecules comics and GIFs! On TpT. Answer Key to Biomolecule recap. ...
